15.(a or b) Developing Hints

Ex1: (a) CLEANLINESS: Keeping surroundings clean is an essential one. We should learn this habit at our young age. It is also good for our society. We shouldn't litter the streets and roads with garbage and rubbish. We should advise our friends and neighbours to keep clean habits and maintain good health. **CLEANLINESS IS NEXT TO GODLINESS, (b) BOOKS:** Books have a great value in our life. They are our good companions. They elevate our character a noble one. There are many varieties of books. We have to select good books to refer to ourselves. We should not judge the books by its wrapper. We should scan, select and take the best out of a book. **DON'T JUDGE A BOOK BY ITS WRAPPER.**

Ex2: (a) PREVENTION Prevention is better than cure. In the same way it is better to prevent something disastrous before it happens. Students should avoid failures by studying their daily lessons properly. They should work regularly to avoid scoring less marks. Every family should save money to avoid getting trapped into debts. We should take care of our health to avoid diseases. We should not get into any bad habits spoiling our health. By taking preventive measures we can save money rather than spending on medicines. **PREVENTION IS BETTER THAN CURE. (b) TREES** Trees are the real wealth of a nation. They should not be cut down. Forests give us a good rain-fall and it is the cause of all natural resources. All students should aim at planting at least few trees. We should encourage people to plant trees. We should create awareness among people especially in schools and colleges regarding saving trees. We should save and plant more trees. **SAVE TREES, SAVE WORLD.**

Ex3: (a) DELAY Delay is dangerous. If we postpone things, our work will get accumulated. So we must try to finish in a hurry. But sometimes hurried work leads to slipshod. So the quality gets affected in our work. It will earn a bad name. So we don't give room to laziness. The prompt action in our every work fetches good returns. **TIME AND TIDE WAITS FOR NONE. (b) NATIONAL INTEGRATION** National integration is the need of the hour. In our country, we live among many dividing forces like culture, custom, language, religion, etc. We should develop tolerance and give up fights. We should encourage broadmindedness, patience, courteous behavior and patriotism. Our unity results in our victory, peace and happiness. **UNION IS STRENGTH.**

Ex4: (a) GLOBAL WARMING Temperature increases year by year which results season changes. So Monsoon fails. There is a very low rainfall now a days. Due to global warming, the glaciers of polar region melt rapidly. So the sea level increases. It leads to the submergence of landmass in future. We cut trees mindlessly. We should stop this. We should save the forest. We should develop more social forests to cool the earth. **SAVE FOREST AND SAVE EARTH. (b) SPORTS** We know 'Sound mind is in a sound body'. We give more importance to study than sports. But sports is necessary. It shapes our personality. All study and no play will make one a dull. Sports trains one to face any problem in his life. It develops leadership quality and cooperation with others. It keeps one's good health and discipline. **HEALTH IS WEALTH.**

Ex5: (a) THE HOLY RIVER GANGA Ganga is one of the longest rivers in India. It rises near Gangotri in the Himalayas. It comes down at Haridwar and passes through many states. It is flowing throughout the year. It has many tributaries like Yamuna, Chambal, etc. It brings rich alluvial soil that is very fertile. There are many holy places like Prayag, Kasi on its bank. Finally it reaches the Bay of Bengal. A dip in this holy river is considered as a sacred one. **THE GANGES – PRIDE OF OUR NATION. (b) ENVIRONMENT PROTECTION** 'Earth Day' is celebrated on April 22 every year. Everyone should pledge to protect earth's environment. Soil, water and air are polluted by modern factories. Every day large quantities of waste were generated in big cities. Wet and dry waste material should be separated. Dry waste materials can be used for recycling. The wet waste material such as vegetable peel, fallen leaves, cow dung, etc. can be used as manure for cultivation. Each and everybody of us should work for making 'Pollution free Earth'. It is our aim and also our duty. **SAVE ENVIRONMENT; SAVE EARTH.**

Ex6: (a) WALKING Walking is a good exercise. Morning is a pleasant time for walking. We can breathe cool air. It is less polluted. It helps for good blood circulation. Walking gives exercise to our muscles. It refreshes our body and mind. **WALKING MAKES US HEALTHY. (b) SHOES** I like my shoes very much. It gets dirty often. It helps me to stay clean. I go for long walks for the past few months with it. I feel comfortable. It is light weighted. It helps me to run easily. Sometimes it smells bad but it protects me from thorns many times. I clean and polish it every day. I am proud of my shoes. **SHOES – A GOOD COMPANION.**

Ex7: (a) CONSERVATION OF WATER Water is the basic need for all living beings. It is essential for our life. We must conserve water during all seasons. To conserve water, we should link rivers. Avoid domestic wastages. Government insists to harvest rain waters. It helps us to fulfill our water needs during summer. Recycling is also one of the ways to save water. We must grow trees to get more rain. It controls soil erosion and act as sponges. **SAVE TREES, SAVE WORLD. (b) INSECTS** Insects are classified into two main kinds. They are useful and harmful. Useful insects are bees and silk worms. We get honey from bees. Silk worm produces silk. We weave silk sarees with it. The harmful insects are locusts and mosquitoes. Locusts eat growing plants and destroy crops. Mosquitoes cause malaria. Millions of people die by malaria every year. Few insects are neither harmful nor useful like butterfly and lady bird. They are pretty and colourful. **WHEN THE BEE SUCKS, IT MAKES HONEY; WHEN THE SPIDER, POISON.**

Ex8: (a) TELEVISION In our life, we come across so many TV channels. Do we need them? We view some advantages. Advertisements provide us multi of information. We can select varieties of information to choose from it. Our tastes and likes differ. So television provides us many plays and music. It induces the desire for knowledge. It views some humour movies also to help us escape from mental worries temporarily. There are so many disadvantages of television like time consuming. Most of the children become addicted to some channels and programmes. It distracted them from studies. It makes family and social values get broken down. It is an 'idiot box' to those who don't use it sensibly. It is a 'viewing encyclopaedia' to those who utilise it properly. **“GOOD AND BAD LIES ON THE BEHOLDER” (b) HEALTH** 'Sound body is essential for a sound mind' is a famous proverb. It shows that good health is the base for work and education. A person with good health lives with peace always. A healthy person only enjoys each and every moment of life. He experiences the real meaning for enjoyment. So our government includes health education and physical education as a part of general education. There is no use of having wealth if you are a sick person. Without hard work there is no pleasure. We should develop good health by taking care of our body, food and with good regular exercises. **“HEALTH IS WEALTH”**

Ex9: (a) A THIRSTY CROW It was a hot day. There was a thirsty crow in search of water. It found a water pot. But the water level is very low in the pot. It couldn't drink the water. The crow was very clever. It hit on an idea. It picked up some pebbles near the pot and put them into the pot. Little by little the water came up. The crow drank the water and flew away happily. **KNOWLEDGE IS POWER. (b) STUDENTS** Students are future of our nation's destiny. They have certain duties. They should take care of their health. They should allot sufficient time to their study. They should get enough sleep. They should eat healthy food. They should be very attentive in their class. They should clear their doubts from their teachers. Then only they can score high marks in their examinations. **STUDENTS – PILLARS OF A NATION.**

Ex10: (a) BOOKS Books are Man's friends. They educate and entertain us. We get pleasure by reading books. These are the profits of reading books. We never feel loneliness. Mahatma Gandhi and Jawaharlal Nehru read more books in jail. They preserved more ideas of great minds in their company. Many read books for exam. Some have small libraries at home. Today we can read e-books on computers. But some times computer viruses kills them. But printed books are long last. We can carry them anywhere. **BOOKS ARE BEST COMPANIONS.** (b) **POPULATION** Population is a serious problem to our country. Every second three babies are born. In olden days, there was maximum death rate. But nowadays due to medical science, the death rate is reduced. And also the span of human life is increased. So people have to think seriously to control the explosion of population. We should cooperate with the government programmes. Then only the rate of population can be reduced. **ONE FAMILY, ONE CHILD.**

Ex11: (a) HARD WORK NEVER FAILS Hard work is essential for every one. A student should work hard to become a topper. A business man should work hard to get success. A researcher should work hard to achieve his aim. Hard work always brings success. There is no easy road to success. So we should try and try. Many lives of great men like Edison, Lincoln and Abdul Kalam reveals us the fruit of hard work. We can see around us the hard working students score high marks. **NO PAINS, NO GAIN.** (b) **READING** Reading is a good habit. It helps us to develop one of our language skills. A book is the best of means of education as well as entertainment. Reading gives us pleasure and relaxation. One can read anywhere i.e. in bed, on bus or in a train. Some good books can be read and re-read. A good book contains wisdom of the great. We share the author's experiences with us. It is a good companion in loneliness. The time we spent for reading ever fills with joy. **READING MAKES A FULL MAN.**

Ex12: (a) REST Weekend holiday is very essential for everyone. It is necessary that everyone should take rest at least one day after a week of heavy work. We can pursue many hobbies at our rest. We should do whatever we enjoy like painting, gardening, cooking etc. It gives us pleasure and also we are refreshed for the next week. If we take rest, there is no stress in our work and we do work with better performance, better attitude and good behaviour. **REST IS THE SWEET SAUCE OF LABOUR.** (b) **TREES** Trees are the real wealth of a nation. They should not be cut down. Forests give us a good rain-fall and it is the cause of all natural resources. All students should aim at planting at least few trees. They may grow trees in the empty places near the house or in the school. We should encourage people to plant trees. We should create awareness among people especially in schools and colleges regarding saving trees. We should save and plant more trees. **SAVE TREES, SAVE WORLD.**

Ex13: (a) BOOKS Books are very good companions. They have great value. It helps to develop our personality. Our character is shaped by the book that we have chosen to read. There are many variety of books. We must select good books. We shouldn't judge the book by its wrapper. We should scan and select the best books. Like a honeybee, We should take the best out of a book. **BOOKS – FRIENDS FOREVER.** (b) **GANDHIJI'S WORD TO TEACHERS** Gandhiji believed that spiritual training will not be acquired by memorizing and reciting hymns. It is depended on spiritual pursuits. A teacher should be a role model in life and character. He should be very careful about his conduct and behavior at all times. He should be honest and disciplined. He has to inspire the students. **A TEACHER IS THE SECOND MOTHER OF A STUDENT.**

Ex14: (a) DOGS We know the popular saying "Dogs attached to persons, Cats attached to places". It is true. Dogs follow their master everywhere. But cats remain in the house even when master changes home. It is concerned with own comfort only. Its love is only 'cupboard love'. But dogs sacrifice their life for their master. Even they will walk miles to find their master who moves out. **LOYALTY - THY NAME IS DOG.** (b) **BIRD WATCHING** Bird Watching is an interesting hobby. We can find variety of birds habits, bird calls, nesting areas. We can learn about their needs like kinds of foods, trees, etc. Some birds are becoming extinct. They need more research to preserve. Birds are very important for nature and man. They even contribute to man's art, music, poetry and literature. They make the world beautiful to live in. **SAVE BIRDS. SAVE NATURE.**

Ex15: (a) POPULATION EXPLOSION The growth of population is a big threat to the society. There are many reasons for the growth of population. It includes the spread of knowledge, the death control, awareness among the people and the healthy life of people. The development in the field of medical science reduces the rate of death. An awareness is created among the school children by the Government and the eradication of deadly diseases increase the life span of the people. It results population explosion. **POPULATION EXPLOSION – A THREAT TO SOCIETY.** (b) **ROADS** Now a days we witness lot of problems in commuting one place to another place. The state of roads are not so good. There are too many vehicles in every city. But these are too few in rural areas. Roadways and Transport departments need working together to improve conditions of the roads. We should create public awareness in the use of road. Authorities should ensure students' comfortable travel to and from school. **ROADS – NERVES OF A COUNTRY'S HEART.**

Ex16: (a) DELAY Delay is a dangerous habit. If we postpone things, the work gets accumulated. So we try to finish the work in a hurry. But it leads to slipshod. It makes the quality gets affected. We earn a bad name. So we don't give room to laziness. We should prompt with punctuality. Our timely action fetches good returns. **TIME AND TIDE WAITS FOR NONE**

(b) **CLEANLINESS** We should keep our surroundings clean. We should learn this habit at a young age. It is good for the society. We should not litter the streets and our roadside with garbage and rubbish. We should advise our friends and neighbours to keep our places clean. Clean habits lead to good health. **CLEANLINESS IS NEXT TO GODLINESS.**

Ex17: (a) ELEPHANTS The elephant is one of the largest animals in the world. It grows 4 metres and weighs 6 metric tone. It has two tusks. That two upper teeth support heavy loads to carry. Sometimes they use their tusks as weapons to attack the enemy. Their tusks are very valuable. Most of the elephants are hunted for tusks. Its trunk serves as an arm. They are the lengthened nose and upper lip. We should save elephants from being killed for their tusks. **SAVE ELEPHANT. SAVE WILD LIFE.**

(b) **THE COMPUTER** Computer is an electronic device. It can store information. It does calculations and operations quickly. It can trace, restore and solve mathematical problems in no time. A Computer system has three main parts. They are input, output and central processing unit. The central Processing Unit acts as a brain of the computer. **COMPUTER – WONDER OF THE WORLD.**
