

DIY Activities for 3 Years Old

Finger painting with water on cardboard.

Tear a sheet into small squares. Draw on them. And then glue them together onto another sheet.

Play restaurant.

Place plastic wrap around a bowl using an elastic band and let them poke holes in it with their fingers.

Place a cardboard tube on their arm and use it to hit a balloon like a bat.

Fill sink with water and give them some large beads to put in the water.

Have a dance party to their favourite Disney soundtrack.

Build a pillow and blanket fort.

Play in bath tub in swimsuit with toys.

Paint a colouring book with watercolours.

Play hide and go seek.

Have tickle fight

Cover rocks with shaving cream and have them clean them off.

Paint with a potato masher or spatula or other kitchen utensils.

Take a magnifying glass (pretend, real or handmade) and go looking for bugs

Play with balloons

Have them 'read' their favourite books to you.

Blow bubbles outside, no matter the weather.

Use a measuring tape to measure your body parts such as arms and legs.
