PREFACE

“Practice makes the man perfection”

We are aware that Communication skills are essential to human beings. My composition is based on the development of English knowledge and communication skill by developing writing skills. We all are aware that English language is the barriers for our students. Most of the students are suffering a lot and facing many problems while joining for their higher studies. By keeping in mind I have decided to take necessary steps to improve communication skills for the students by improving writing skill of the student. This book will be very useful to you to develop your skill.

With blessings

K. Maheshkumar

On Children's day I went to VOC Park, Coimbatore with my family. We have entered into the park with snacks exactly at 10AM. We have seen tigers, lions, snakes, camels, monkeys, love birds and many grass lands. I got fear and tension after seeing snakes. When I was speaking with parents some monkeys picked up my snacks. Initially I got angry but I forgot everything immediately. After some time we played foot ball in the grass lands. It was very interesting. We were very happy on that day. We returned back home at 10PM. Really it was a wonderful experience to me.
